## ADDITIONAL INFORMATION

### Swap Meet Table Rules

**Room will not be open for unpacking of boxes before set-up time of 8:00 am.** Organizers need time to get the room set up and we do not have access until Saturday morning. Swap meet tables are limited to 40 (20 rect. and 20 round) and tables are reserved only for persons with reservations. Swap meet tables must be cleared off by 5:00 PM. **Exhibitors are able to reserve up to three tables at time of registration.** If space allows for additional tables, they will be made available on first come basis after the registration deadline of July 31st. We do not anticipate any problems for those who want two tables but we are limited to 40.

We plan to have a Friday Night Room Crawl and Social. On Sat after the show, from 4pm to 6:30pm, we'll have a Silent Auction and brief fundraiser program for a local mining history group, Underground Miners, a 501(c)3 nonprofit organization, dedicated to preserving Pennsylvania's anthracite coal mining heritage through an historical online archive, mine rehabilitation, equipment restoration, and educational public events.
